## CONQUEZUELA, MEDINACELI

---

Conquezuela is the last town of Soria, in this part of the province, and borders the province of Guadalajara; to the point that at the time it belonged to the diocese of Sigüenza. Like the great majority of small towns, Conquezuela knew, without a doubt, better times, like other surrounding towns, in whose union one of the most charismatic and popular pilgrimages has been celebrated: the pilgrimage of the Virgin of the Holy Cross .
